Dear Parent/Guardian:

The NCISD Athletic Department would like to welcome you to another exciting year in athletics. With the new year comes many changes and new faces within our programs. I would like to take this opportunity to invite you and your child to come out and support all of the sports programs in NCISD.

Each elementary school has been assigned one of our home football games as their recognition night. I firmly believe in involving our elementary schools in our athletic programs so we can foster interest in athletics and our support organizations. Elementary students will be admitted to the game for free if they are wearing an elementary spirit shirt. Prior to the game the school, principal, and students will be recognized.

Elementary age students must be accompanied by a parent and guardian to enter the game. (parents are required to purchase a general admission ticket)

With the growth of our community we are expecting large crowds at our games.

Hope to see you at the game.

Doug Bonsal  
Athletic Director  
New Caney ISD

**Vision Statement:**

NCISD athletics will aggressively pursue sport programs that show evidence of hard work, toughness, and expectations of success. The athletic program will continually strive to instill in all student athletes our core values and a sense of pride, commitment, and confidence in themselves and their school.
