Conference: 5th prd (11:05-12:00)

Welcome! I am glad to have each and every one of you in my class. I know we will have a great year.

Supplies:

In order for you to be successful, you must be PREPARED! Please bring the following items everyday: Planner, pen, and Texas History spiral.

Planner:

Everyday you will write in your planner. You will need to write what we are doing that day and include the assignments, test dates, and other important information. Periodically, there will be a planner check that will count for a daily grade. It is mandatory that you bring and use your planner everyday.

Class work:

I expect everyone to try and put forth their best effort. In order for me to help, your assignments must be readable. If the assignment is not readable, it will be given back without a grade. Please take the time to do your best.

Miscellaneous information:

The first thing you will do everyday is a warm-up. Be prepared to copy down the question and your answer. This will be a daily grade. There will be NO bathroom breaks unless it is an emergency. Manage your time and take care of the bathroom breaks between classes.

Computation of Grade

Daily grades: 40% of overall grade
Homework: 10% of overall grade
Tests and projects: 50% of overall grade
